

# Lower Your Energy Costs Get a Lower Interest Rate **SAVE TWICE!!!!**

## Green Progress Loan <sup>(TM)</sup>

- BUY A GREEN HOUSE
- BUY AN EXISTING HOME - MAKE IT ENERGY EFFICIENT
- REMODEL WITH GREEN, ENERGY EFFICIENT IMPROVEMENTS
- REFINANCE TO INSTALL SOLAR, SOLAR WATER HEATING

Green Progress Loan rewards you when you purchase or remodel a home with energy efficient, sustainable improvements. The Green Progress Loan gives you a Discount of between .125% points off the rate or .250% off fees depending on the funding program. ++ Discounts disclosed when rates are quoted on a specific property/transaction. The purchase or remodel project must meet certain standards\* of energy Efficiency and/or sustainability.

++ Offer and rates subject to change without notice. Discounts on specific transactions will be disclosed in writing when rates are quoted.

\*Guidelines available upon request. LEED-H, Energy Star, Home Performance with EnergyStar certification or substantial green upgrades completed or contracted would qualify for discount.
